

Green Goodies for every garden

Shop greener with eco-friendly products that fit any budget.

Cole's Hot Meats™ Birdseed
Keep squirrels and other critters away from your bird feeders with this all-natural blend of birdseed infused with chili-pepper oil. With no added chemicals, you can be sure that you're serving only the best seed to your birds!
\$15.39, birdwatchersupply.com

Recycled Buckets
Made from 100% recycled polyethylene, these tough, yet lightweight, black tubs can be used for anything from hauling compost to mixing potting soil. They won't dent or rust, and are unaffected by freezing cold temperatures or boiling water.
\$14.99 for smallest size, groworganic.com

Burt's Bees® Insect Repellent
Fight off even the most stubborn bugs with this all-natural insect repellent from the Burt's Bees® products line. Made from rosemary, lemongrass and citronella oils, it's also DEET free, making it safe and effective.
\$7.99, burtsbees.com

Bonnie's Biodegradable Pots
Bonnie Plants, a national plant wholesale company, sells a variety of disease-resistant vegetables, herbs and flowers in biodegradable peat pots. Plant Bonnie Plants directly into the soil, without wasting those plastic pots that too often end up in landfills.
\$1.99 to \$9.98, bonnieplants.com

SunStick

Eliminate costly mistakes, overwatering and wasted time with SunStick, an attractive sun indicator that helps you match plants to the right areas in your yard. Easy to use, you'll enjoy healthier—and happier—plants.
\$9.99, gosunstick.com

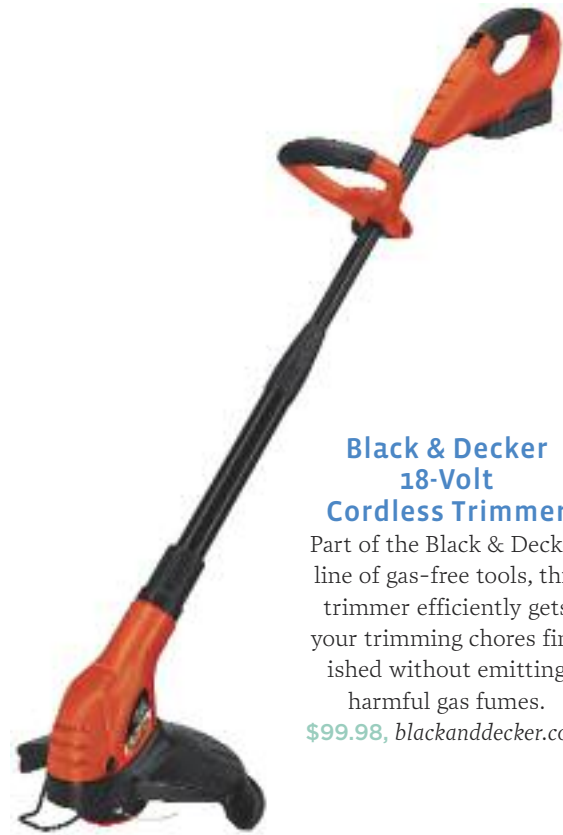

NEW for 2009

**LazyMan™
Liquid Gold**

Reduce lawn maintenance chores and encourage essential nutrients in the soil without the use of harmful chemicals with this 3-in-1 application. Your grass will grow thicker and healthier, and you'll reduce the need for fertilizer.

\$74.99 a gallon,
outsidepride.com

**Black & Decker
18-Volt
Cordless Trimmer**

Part of the Black & Decker line of gas-free tools, this trimmer efficiently gets your trimming chores finished without emitting harmful gas fumes.

\$99.98, *blackanddecker.com*

SmartStone Pavers

Winner of the 2008 Green Innovation Award, these eco-friendly pavers look just like flagstones, but are made from recycled shopping bags and milk jugs. They're lightweight, durable and easy to install.

About \$10 a stone, available at *Wal-Mart*

2009

under \$100

EarthBox

Using an innovative, award-winning growing system, EarthBox more than doubles the yield of a conventional garden with less fertilizer, less water and virtually no effort. Plus, you don't need a large yard to have a bumper crop of homegrown veggies.

\$59.95, *earthbox.com*

NEW for
2009

Copper Finish Compost Pail

Hide your kitchen scraps in this stainless steel compost crock with handsome hammered-copper finish. It holds 5 quarts, is leak-proof and virtually unbreakable. With its old-world look, it's stylish enough to place on your kitchen counter. Plus, its rustic handle makes it easy to carry to the compost pile.

\$34.95, *gardeners.com*

STIHL BGE 61 Leaf Blower

Lightweight, quiet and powerful, this electric blower, featuring a built-in cord retainer, is great for cleaning up yard debris while minimizing the effect on the environment.

\$99.95, *stihlusa.com*

NEW for
2009

NatureMill Composters

Reduce landfill waste while returning organic nutrients back to the soil with this compact kitchen composter. With its sleek design and array of available colors, this automatic and odor-free composter fits any kitchen. **\$399.99**, available at Target, Williams-Sonoma, Smith & Hawken and The Home Depot

NEW for 2009

Brill Mower

Go gas-free with this new reel lawn mower. It's lightweight, has five superior cutting blades and, best of all, won't release pollutants, noise or gas fumes into the air. **\$199.99**, cleanairgardening.com
